CO - MANAGEMENT DISTRIBUTION

REPEAT

Distribution

We distribute your music through our platform, including integration with SoundOn (TikTok). Depending on the specific arrangement offered, we may also provide co-management services

What is Co - Management ?

We provide comprehensive guidance on song release strategies and assist you in exploring opportunities for playlist placements and TikTok benefits. Our services include securing spots on TikTok playlists, DSP Playlists and mobilizing our team to promote your music on the TikTok platform, among other promotional efforts.
